Equipped with the very latest high-tech facilities, the apartments are located just two minutes' walk from Bolhão Market – right at the heart of the historical city center and in easy reach of numerous restaurants and the city's vibrant nightlife.

Located just moments from Santa Catarina Street, and with a subway stop just 3 minutes away, in Aparthotel Oporto Alves da Veiga you can escape the hum of the city and come home to tranquility, thanks to our quiet street location.
